

Andale, Kansas.
Dec. 22, 1952.

Dear Norman,

I'll just write a few words because I haven't much time. I sure hope you get this before Xmas. I'm that late bird!

This little thing (what ever you want to call it) is just a Christmas Present. I just happened to see it while I was in Wichita one day and thought you might like some company besides that new baby of yours.

What do you want for Christmas. Isn't my writing slopy? I'm going to a fire (as the expression goes).

Well I've got to close. Write Soon.

yours truly,
Pat

P.S. Merry
Christmas

We got our pictures back from school I'm sending you one. Will you please send me yours if you have one or when you get one. (Meanie gave us one of hers!)

you may want to write to Pat to get it

Merry Christmas!
Patoy

HOLIDAY SEASON

Best wishes
for the

Merry Christmas
Norman!!

This report of the child's academic, personal, and social progress reflects an evaluation by the supervisor.

Each child matures according to his own rate and ability. The staff has endeavored to design a report that will accurately reflect your child's own rate of progress and relate it as reasonably as possible to his peers.

If you have any questions, please call the office.
