Dear Norman,

I could have written earlier but I went home Monday afternoon and didn't come back until late last night.

Did you have a nice Holiday? I had a real nice one. What all did you do?

Things sure have been dragging on the floor today. We only have sixteen patients on my floor. There is usually around thirty.

I gave up on that pen - it was a little messy. Of course my writing doesn't help matters too much either.

Believe it or not I am lost for words! This doesn't happen very often as you know.

Bud called home on the 4th. He's been a little worried about school, but I think he will make it.

Well, it's time for me to get back  
to work so I'm going to cut this a  
little short.

Connie,

P.S. If you have time I would like  
to talk to you sometime over the weekend,  
if you're going to be busy we can make  
it later. I'll be home Friday night and  
Saturday.

(If I don't chicken out!)
