Dear Norm. -

Received your letter

you made it down there
O.K. We are all O.K. at
the present time.

Been nice weather down
here, real cool at night
Only slept in your room
one time since you
left.

Guess we will be
leaving on our vacation
Sunday. Be taking
Alan down to Cardyne
on the way. Ronnie

will be staying here,
Hope you see to it that
he won't be running
around every night.

He will come after you
when you get in.

I guess we will go to
Richard Gehlen wedding dance
at Colwich Sat nite. Shouldn't
really go because won't feel
much like getting up early
Sunday morning.

Well now that's about
it for now, hope you get
in before we leave.

Bye for now
Mom.

Hi Norman. + Joe

To NORMAN

Dear Norm,

How are you? I am
fine so is Beaver.

While you are down
there look around and
see if you can get a
tank with a motor
O.K.?

It has been
pretty cool up here
I it hasn't rained yet.
I see you in another
week maybe because
I am going down to

Beggs's for a
whole week.

P.S. Ken, Ron and I went
fishing all night
Friday. We caught
a few little bass
about sundown.

Then we put our lines
in. Ken used a minnow
and Ron and I used craw-
dads. Then we caught
a few z's, then Ken
woke up. He heard
a break, so we all
got up and reeled
in our lines. Ken
and Ron were out ahead

Then I sealed started
to seal my in and
It had a fish on it.
I had to let Pen
seal it in while we
were holding the lights
He messed around with
it for a while then we
got him in. He weight
between 4 + 5 pound.

I threw line out about
4 feet when I caught it.

We went to Bush's
pond.

That's all for know.

Love U. Beaver
over

P.S. what's Beaver
doing?
