Here is our 1963 Cardinal. We, the Cardinal Staff, in cooperation with the Student Council, in the hopes of keeping alive happy memories, reviving school dreams and hopes, and, in general, bringing pleasure in the years ahead, make this effort to be of service to our school and to our community.

We also extend heartfelt thanks to the contributors, whose help made publication possible.

I was the editor of this annual. He worked on it all year. Sanka Shinkler and I collected all the advertising and I then fixed the pages for all but one of the five pages of it. All together I myself did eight pages which was really work.
