

Just. morn.

Dear Norman & Gloria,

We just got here at the office & thought I'd better drop a few lines to let you know we made it home okay. I slept till Mr Pherson while Lon drove, then he slept while I drove the rest of the way home.

Thanks so much for the great weekend. We both really had a good time. How's Rhonda doing?

I finally looked up the way to treat grease stains. I'll write it exactly the way it says in my book.

STAIN	COLOR FAST COTTONS AND LINENS	NON COLORFAST COTTONS, WASHABLE SILK, WOOL, RAYON, AND OTHER MAN MADE FABRICS
Grease or tar	* Rub with lard. Wash in hot suds. Bleach remaining stain.	* Same as for cottons. Bleach with mild bleach.

Sure hope this helps you, Gloria!

Wells Dept. Store here is having a sale on the gates like your sister's for keeping Rhonda from falling down the stairs. They cost regularly \$5.99 & are on sale for \$2.99. We plan on getting one for you guys. Just thought I'd let you know.

Sure hope she still have some  
well, I'd best close for now. Gotta get  
busy. See ya all later.

Thanks again for everything.  
Take care!

Love, Ron & Sue
