

Friday Oct 10

Dear Norman,

I had planned to have this letter in the mail today but you know how it is to come home and get done exactly what you want ^(you just don't) when you want. But anyway I was ~~at~~ glad to get your letter Friday before I came home (with a long sentence, isn't it?)

I'm glad you had a nice trip down and are finding camp not bad at all. The scenery sounds beautiful... I think that would be terribly exciting to be able to see different parts of the country... more if at all about going to "camp" in order to see it... you think they'd let me see ??? #!!

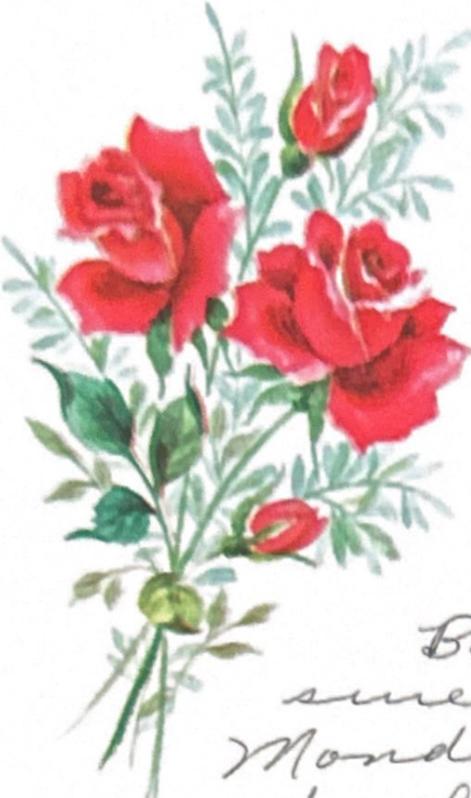

How do you like it down South there with all of your brothers -- Negroes (Remember! all men are created equal)

Well, enough on that. When you get home you're going to have to tell me what all you have done ... especially after hours. (I've read about those Southern gals) and here I am back here being good like you told me to ... no kidding, I just decided I'd be real good, so all I've done is to come home this weekend! Now, how 'bout you? _____?

I'm sure glad you're coming home next Sunday and I would love to see you Sunday evening. I am possibly going home Friday and Saturday

but am coming
back early Sunday
morning... so
anytime you call or
want to come over
Sunday will be fine.

Boy, this Vietnam situation
sure is terrible. All last
Monday and until Johnson
made his Tuesday speech
we were all dreading to
think who might be called.
The way it looks though,
you probably won't have to
go for a long time, will you?
(Say no! whether you think
you will have to or not)

Norman, a week from Wednesday
August 11, my family (I think)
are coming up in the evening
to have a picnic ^(spelling) to celebrate
my birthday and my mother's.
They're not sure yet but
they said if they do, they'd
like me to invite you

let you know for ④
sure Sunday and
if they do get to
come, I'd like you
to come over and
have a picnic with
us, OKAY?

Well, it doesn't seem
like I can think of any
more news from around
Wichita, or Sharon either
for that matter.

Oh, except I was telling
my father how you argue
Hereford cattle and he said
"Anytime he wants to argue,
just bring him down cause
I love ^(wargone) ~~to~~ sounds as if
you ^{to (argue)} ~~two~~ could get into a
pretty good one. HUH!

Well, before I run out of
paper (and this is my last sheet)
I'd better quit... so be GOOD
(if possible) and I'll be
looking forward to seeing
you Sunday, OKAY?

(over)

Bye for now!
