To & Bliss, Texas

Dear Ronald,

How are things with you?

The weather here is warm. How is it back home? Did the Bermuda shorts fit you?

I went hunting last Sunday. I didn't hit anything but another guy shot a rabbit. We heard some coyotes but we couldn't see them.

What have you been doing lately?

I'm going to try to go skiing one of these weekends in New Mexico.

White Snow,

Larry Newman
