Dear Ronald,

I'm am glad to hear that you now have a car. The first car is always a great thrill and no doubt you are experiencing this at the present time.

It has been sprinkling for the last couple of days. We now have about one and a quarter inches of rain for the year. Compare that with Wichita's.

If you can, I suggest, that you see "How the West Was Won." I think you'll like it as much as I did. I paid \$2.00 for a ticket. What are the prices at the Uptown theatre?

Are you enjoying your summer vacation?

That's all for now.

Love,
Norman
