Dear Ronnie,

How are you doing?

How is your girlfriend? We have snow on the ground. How is the weather in Wichita?

The last week we were firing the M-1 Rifle. I have been doing pretty good on the firing range.

I had K.P. today so I didn't go anywhere. I went to the movies with Charlie last night. How is Grandpa?

I can't think of what wrist watch you found of mine. What kind is it? What is the No. 1 song in Wichita? Well Ronnie,

I'm a little tired after 14 hours
of K-P so I'm going to cut this
letter short so I can write
above a line or two and get
to bed a little early. Write
soon.

Sincerely,
Norman
